

Dear Parents and Carers,

The booklists for 2025 have been finalised and are now being emailed to all families by year level. They will also be available to [download from the school website.](#)

## **CHANGES for 2025**

**No Maths workbook** will be used across the school in 2025. Having worked to implement the updated v9.0 of the Australian Curriculum in 2024, teachers now have units planned and a variety of resources at hand and feel equipped to work without a student activity book in 2025.

In **Prep to Year 2** in 2025 the school will adopt **'InitialLit'** as its literacy program, integrating instruction in reading, phonics, spelling, vocabulary, comprehension, oral language, grammar and handwriting. This program requires the purchase of student workbooks.

Highfields State School booklists have been sent to the following **suppliers** who offer online ordering services and discounts. There is no requirement for you to purchase through these suppliers.

- One Stop Stationery Supplies | Plaza Circle Shopping Centre | <https://booklists.onestopstationery.com.au/>
- Browns Office Choice | Bernoth Centre Toowoomba | <https://www.brownsstationery.com.au/?ItemNo=1002>

We hope this information assists you in your preparations for the 2025 school year. Please contact the school office should you have any queries regarding booklists.
