Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- *Targeted literacy intervention strategies, Support-A-Talker program and fine motor programs developed and implemented across the Prep years*
- *Accelerated reading program, phonics program and additional in-class support provided for year 1 students*
- *Introduced an 'Earobics' program for year 2 students as well as an accelerated reading program and additional in-class support*
- *Improved teacher pedagogical practice through a planned program of 'coaching and feedback' within an Explicit Instruction framework*
- *Improved data collection processes and analysis of data to inform pedagogical practice and improve student learning outcomes*
